Simple same day assembly
No waiting for expensive bulky factory assembled racks. Everything is available at your local Navien wholesaler with an easy to follow installation manual.

Simple to transport
Every component of the system is portable for easy pickup and setup. All parts of the kit fit through a standard door opening.

Simple to expand
Ready-Link® wall or rack manifold kits can be built in 30 configurations from 2–16 units. Common venting up to 8 units. Cascading up to 16 units.

Simple way to make more money
You handle the installation yourself, on your terms and time frame.

Manifold kit components

Each kit includes the following items in varying quantities based on the kit selected:
